SPECIAL NOTICES.

Valuable Hints A regular habit of body is absolutely exsenti-to physical health and clearness of intellect. No this ail. Beauty of person cannot co-exist with an unnatural condition of the bowels. A free yamage of the refuse matter of the system through passage of the refuse matter of the system tatogs these natural weater pipes, is an necessary to the purity of the body as the free passage of the offal of a city through its sewers is necessary to the health of its inhabitants.

Indigention is the primary cause of most of the diseases of the diseases, and one of its most common results is constipation. This complaint, besides being dangerous initable, has many disagreeable concomitants—such as an ausplessant breath, a sailow site, contaminating based on the primary disagreeable concomitants—such as an ausplessant breath, a sailow site, contaminating based and

bries, hemorrhoide, headeshs, less of memory, and general debility.

Hostetter's stomach Bitters remove all these evils by removing the immediate cause in the digestive organs, and regulating the action of the intestines. The combination of properties in this celebrated preparation is one of its chief merits. It is not marely a stimulant or tonic, or an antibilities agent or a nervine, or a blood depurent, or a cathartic, but all these curative elements indictionally blended in one powerful restorative. It lends activity and vigor to the linest and enervated stomach, relieves the allmentary canal of its obstructions, and gives tone to the membeane which lines it, gently stimulates the liver, braces the nerves, and cheere the animal spirits. No other transity possesses such a variety of hygonic virtues. It is to these characterists virtues that it own its proving as a household medicine. Experience has proved that it is as harmiess as it is effectively. Hostetter's shoundable Bitters are sold in bottles.
